GAME.SET.EQUITY. - ACKNOWLEDGMENT

Tennis Canada is proud to develop and implement this project in collaboration with the provincial and territorial associations.

WHAT IS THE LEADERSHIP PROGRAM?

This program is part of the Game.Set.Equity initiative to promote women's participation in all aspects of the tennis world. The leadership program for girls seeks to build a network of like-minded girls and women across the province to engage and encourage young women to develop their talents in a safe and welcoming environment.

The program will develop the skills and qualities required to confidently lead a tennis program for beginners, whether with children or adults. It hopes to empower girls to utilize resources and to develop confidence through leadership skills that they can apply as instructors and beyond.
