

Event Age Category Policy

Ratings will be adjusted when age group events are combined due to insufficient participation. If any of the following conditions are satisfied the event rating will not be reduced.

- 25% of the players are in the age category of the event
- 50% of the players are in the age group of the event or the age group below.
- 8 players in total are in the age group of the event or the age group below.

Note: If none of these conditions are met, the event will be downgraded.
